

## Selenium Testing

### Two Points of View at Two: Short High-impact Talks about Testing, with José Mata

#### A Free RBCS Webinar

In this month's "Two Points of View at Two" session, Rex is happy to welcome José Mata. José Mata has worked over 20 years as a Software Quality Assurance consultant and manager, working in Austin, San Francisco, New York, and Paris. As a member of the American Software Testing Qualification Board (ASTQB) Technical Advisory Group, José wrote questions for the Foundation Level qualification exams. He is currently a Senior Software Test Engineer with NarrativeDx, an Internet startup in Austin Texas, providing AI-driven analyses of healthcare data.

In this session, José and Rex will discuss moving Selenium automated testing from concept to implementation and overcoming basic "gotchas" in bootstrapping Selenium testing.
